

# PRODUCT LINE SUMMARY

## Distribution Components

- Load Centers
- Meter Centers
- Structured Wiring
- Bath Fans, Bath Fan Accessories & Door Chimes
- General & Heavy Duty Safety Switches
- Air Conditioning Disconnects
- 120/208V & 120/240V Lighting Panelboards
- 347/600 Lighting Panelboards
- Molded Case Circuit Breakers
- Insulated Case Circuit Breakers
- IEC Fusible & Non-Fusible Disconnect Switches
- Electronic Metering Products & Ener-Vista Software
- Transient Voltage Surge Suppressors (TVSS)
- MV Current-Limiting Power Fuses
- Surge Arresters (Station, Intermediate & Distribution Class)
- Instrument Transformers (CTs, PTs & CPTs)
- Single Section Switchboards
- Switchboards & Power Panelboards
- Low and Medium Voltage Busway
- Low-Voltage Switchgear
- Load Interrupter Switch
- Medium-Voltage Switchgear
- Cast Coil & Dry Type Transformers
- Liquid Filled Power Transformers
- LV Power Factor Correction Capacitors & Harmonic Filters
- Enclosed & Outdoor MV Capacitors & Filters
- Uninterruptible Power Supplies
- Automatic Transfer Switches & Paralleling Switchgear

## Control Products

- NEMA Rated Starters, Contactors & Pushbuttons
- IEC Rated Starters, Contactors & Pushbuttons
- Definite Purpose Contactors & Starters
- Lighting Contactors
- NEMA Manual Starters
- IEC Rated Manual Starters
- Solid-State Starters
- Disconnect & Rotary Cam Switches
- Light Towers
- General Purpose Plug-In Relays
- IEC Electronic Timers & Protective Relays
- Motor Control Centers
- Medium Voltage Motor Control Centers
